

Geography

Staffing

David Whyte	Head of Humanities, Teacher of Geography and RE
Emily Ullah	Teacher of Geography

Aims

Geography inspires students to become global citizens by exploring their own place in the world, their values and responsibilities to other people, to the environment and to the sustainability of the planet. We aim to stimulate in our students an interest in and a sense of wonder about the world around them. We also aim to equip our students to become independent learners with the ability to question, investigate and to think critically about issues affecting a dynamically changing world both now and in the future.

Progress

Year 7 (2016/2017)
<ul style="list-style-type: none"> 66% of students made expected progress (2 or more sub levels of progress) 13% of students made more than expected progress. (3 or more sub levels of progress)
Year 8 (2016/2017)
<ul style="list-style-type: none"> 58% of students made expected progress (4 or more sub levels of progress) 12% of students made more than expected progress. (5 or more sub levels of progress)
Year 9 (2016/2017)
<ul style="list-style-type: none"> 98% of students made expected progress 92% of students made more than expected progress
