SEND Information Report 2017/2018

At Jewellery Quarter Academy, we are committed to working with all members of our school community to support the learning and progress of our students. We believe that all of our students are entitled to an outstanding education, one that is appropriate to their needs, promotes high standards and the fulfilment of potential.

Within an inclusive environment, our aim is that every child will:

- Achieve their best.
- Become confident individuals living fulfilling lives.
- Make a successful transition into adulthood, whether into employment, further or higher education or training.

Although we are not maintained by the Local Authority we are supported by Birmingham City Council's Local Offer and their team of experts. We would welcome your feedback and will review this report annually to ensure the content is accurate. If you would like to be involved in the next review, or would like more information about SEND at our school please contact:
