Our annual celebration of Black History and Culture was another success. We had Creative Directors, Solicitors, Surgical Practitioners, Councillors, Footballers and members of WM Fire Service come and talk about their experiences to our students. We then had a traditional Caribbean lunch.

Our students, and our students alone watched the BBC Philharmonic live in our car park! They participated in music workshops, watched from seats right in front of the full orchestra and then sat amongst them as they played. The evening shows were sold out to the general public.

INTRODUCING  
DJ AYCEE**

Thursday 19th October marked our Halloween Party. Students surpassed previous years with their elaborate and gruesome costumes and some even came as clowns to scare Mrs Islam! Miss Mazzoni and Tashartay did an incredible job of creating film style wounds on paying customers. We were lucky enough to have DJ Aycee join us, taking a break from world class venues in Ibiza, to entertain our students. A great time was had by all - Happy Halloween!
